

Historical Books II – 11-21-23

Sorry I cannot be with you in class today. I have videoed the two lectures for today for you to watch. I have asked Mrs. Melissa to print out the lecture notes and the slides for you. I'm not sure you will be able to see much of the information on the screen in the recording, so I think having the slides printed may help you follow along.

Lesson 26 covers the reign of Solomon in II Chronicles 1-9. I had something catch my attention that I did not have a good grasp on. It is in regard to the Table of Shewbread in the Temple. I state first that there is one and then later look at a verse that says there is more than one. I haven't quite figured this one out yet. Looks like in the Second Temple there was only one, but I haven't nailed down anything conclusive during the First Temple period. You'd think this would be simple so maybe I'm missing something. Sadly, I must move on to some other things for now.

Lesson 27 covers the kingdom of Judah from Rehoboam to Jehoshaphat. I may have actually gotten through that one without making any grievous mistakes.

Looking ahead, we only have one more week before finals. We will have two more lectures and I will have a study guide for the final.

DON'T FORGET THE PAPER AND THE READING ASSIGNMENT!!!

If you have any questions about the material, feel free to text me at 940-210-0927 or email me at matthew@baptistbasics.org or baptistbasics@gmail.com. I will try to respond in a timely manner if I am able.
